We were very happy with our experience with DAIMANI at Oregon22 World Track and Field championships. Pre event, I had a couple of questions that were answered quickly and effectively. Pre event information met our needs. At the event, starts with staff who were uniformly welcoming, attentive - and not unnecessarily so! - and responsive. Food was excellent, both before and at the end of the event. Overall, key point is that it was clear that a good job was done to line up strong local resources, both people and food.

Elisa, Charlie, and Maria went above and beyond to ensure we had a magical experience at their event (WAF Championships 2022). They were incredibly responsive, accommodating, and professional.

Great experience and fun in Eugene with Daimani and the Cadence Club - best seats in the stadium and excellent hospitality before and after the event. Met past world champions who we found lovely people. Overall brilliant time had by all our party. Would recommend for sports fans.
